Dakota King

FRONTEND DEVELOPER

Profile

Dynamic Full Stack Web Developer with 4 years of diverse experience in graphic design and production, adept at crafting user-friendly applications that effectively merge creativity and technical skill. Expertise in printing, graphic design, and problem-solving facilitates the delivery of visually compelling solutions tailored to clients' needs. A strong attention to detail ensures high-quality outcomes, while collaboration with cross-functional teams drives project success. Committed to continuous learning and professional growth, leveraging a rich background in visual communication to enhance front-end development capabilities.

Employment History

Graphic Designer and Production, FASTSIGNS, Lakeland, FL

MARCH 2025 — SEPTEMBER 2025

As a versatile Graphic Designer skilled in both creative design and production. I create visually compelling designs and manage the production process to ensure high-quality, on-time delivery. My expertise bridges the gap between concept and final execution, delivering impactful results to customers.

Equipment Operator and Production, FASTSIGNS, Carrollton, TX

SEPTEMBER 2021 — MARCH 2025

In print production at FASTSIGNS, I would operate printing equipment, collaborate with the designer and associates, to ensure the quality of finished products. I work with various substrates and materials, troubleshooting technical issues and overseeing the printing process to deliver visually impactful signage solutions efficiently and effectively.

Graphic Designer, SIGN-A-RAMA, McKinney, TX

MAY 2021 — AUGUST 2021

Working at SIGN-A-RAMA as a graphic designer involved designing signage solutions for clients, incorporating branding elements and visual communication principles. I collaboratedclosely with clients to understand their specific needs and preferences, creating mockups and prototypes for approval before final production.

Education

Associate of Arts in Graphic Design, Collin College, McKinney

JANUARY 2016 — MAY 2020

Courses

Full Stack Development, SMU

NOVEMBER 2023 — MAY 2024
